- Security Deposits:** At time occupancy begins, tenant shall pay -- along with the first month's rent -- a security deposit. This deposit shall be held until tenant elects to end tenancy and thereafter shows compliance with vacating provisions of the lease. This means that all rent due has been paid and the unit is left clean and orderly upon tenant vacating. The security deposit cannot be used toward last month's rent.

To qualify for rental subsidies, a tenant must provide information concerning anticipated income levels and sources for the coming 12-month period by completing an Income Eligibility form (a copy of which is included in this information packet). Upon meeting HUD-specified income criteria, the applicant becomes eligible for a "rent subsidized unit." The number of available "rent subsidized units" is limited. Eligibility for a "rent subsidized unit" is not a guarantee of availability of a "rent subsidized unit."
- Lease Terms:** Tenants are required to enter into a **6-month minimum lease**. At the end of the 6-month period, the lease automatically goes **month-to-month**. Subleasing is not permitted. **Each new tenant will need to return a properly signed lease before the keys to the apartment will be given to the lessee.**
- Renters Insurance:** **Tenants are responsible for insurance coverage for their own personal belongings.**
- Rent Amounts:** **Rent amounts are subject to change. Contact rental office for current rental rates.**

In addition, in the event that all the keys are not returned at the time of vacating the apartment, \$10.00 for each key will be withheld from the Security Deposit. If the manager is not available, the tenant, at his/her own expense, will get a locksmith to open the lock instead of breaking the lock or door.
11. **No waterbeds allowed.**

22. **It is suggested that you use "Jet Dry" or similar products in the dishwashers.** The dishwasher will then clean much better due to the hard water in this area.

This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to "self certify" during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household's file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.

Tenant Responsibilities and Landlord Expectations.

To benefit all residents and to ensure general upkeep and proper maintenance of rented premises of each property with the knowledge and understanding of landlord expectations. Tenants agree to comply with the following Tenant Upkeep Responsibilities. These responsibilities will help maintain the general upkeep of each rented space.

1. Tenant and/or Co-Tenant understand the importance of the **No Smoking Policy** and respect other occupants who may not smoke. It is the responsibility of a smoking tenant to ensure the rules are followed by smoking away from other occupants' doors, windows and balconies. Not following this expectation by the landlord could lead to eviction.
2. Tenant and/or Co-Tenant understand the importance of the **NO Pet Policy**. It is the responsibility and expectation of the landlord for the tenant to communicate special accommodations such as an ESA animal. Failure to notify the office of an ESA animal will lead to a violation of your lease and could result in termination of your lease.
3. Tenant and/or Co-Tenant understand the importance of keeping the grounds of each rented space free of trash and debris. It is the expectation of the landlord that you will take out the trash in your rented space on a regular basis. When you take out the trash you will put the trash in the right receptacle provided to you by your landlord. Failure to maintain the upkeep of your property grounds could result in grounds cleaning fees equaling \$25 an hour.

It will be the responsibility of the current occupant to purchase a snow removal tool. *Please do not use salt at any time unless authorized by the landlord. You will be fined if you use salt of any kind.*
8. Tenant and/or Co-Tenant understand the importance of respecting your neighbors by keeping noise levels normal. Any excessive noise levels will lead to a violation of lease and could result in a termination of tenancy.
9. Tenant and/or Co-Tenant understand they need to invest in a plunger in the result of a clogged toilet. A plunger may come in handy if your toilet gets clogged. Ways to avoid having to use a plunger. **DO NOT** flush flushable wipes, feminine hygiene products, or anything that could result in a clogged toilet. In the result we come out to unclog your toilet and your clog is the result of one or more of these items, you may be charged a maintenance fee of \$25 per hr. each time our team has to come unclog your toilet because you failed to follow these rules.

10. Tenant and/or Co-Tenant understand how to use the maintenance line properly. It is the expectation of the landlord that each occupant treats the maintenance line respectfully. Meaning all occupants will call in to the maintenance line leaving your name, number and a detailed message of the repair needed or an issue that needs responding to. Also, you need to let the maintenance team know if it is okay for them to enter your space if they cannot reach you by phone when they respond to your call. Please allow ample time for a maintenance team member to call you back with a response to your issue. Our Maintenance team works Monday – Friday 8am to 5pm. Calls after 5pm and on the weekends will be handled the next business day. In the case of an emergency we do have a 24-hour line. Emergencies are defined as a condition that will result in damage to the premises and cannot wait until the following business day to resolve i.e. busted pipes, broken heaters. In these cases, call anytime. * Chirping smoke detectors do not qualify as an emergency. As it is the responsibility of the tenant to replace.
